FOR YOUNG ADULTS

FOR YOUNG ADULTS

FOR CHILDREN

Fran Romer, our reference and young adult services, and science teacher at Northport Junior/Senior High School, will discuss her research on the biology and behavior of the Atlantic salmon, a species native to the waters of New York State. Fran Romer will present a slide show of her travels to study these fish in their native habitat. She will also share information on the conservation efforts being made to save these fish and describe the role played by the United States and Canada in protecting these species.
**Voting Information**

Each April, the Library Board of Trustees mails an election notification to all community residents to vote at the annual election of trustees. If you have not voted within four years in a general, AARP Tax-Aid Program Talent and inspiration were evident in all 155 entries, making our judges' job than March 23, 2001.

**Applications for absentee ballots are also available at both Libraries.** Voting Information
