### The Summer Reading Club is right for you!

**Patriots (That's you, PARENTS!)**  
Summer Reading Clubs are not only fun, they are essential. An early involvement in reading programs makes a difference in a child's life. Studies have found that children who read more than ten books during the summer vacation make significant gains in reading ability over those who read less. A reading program based on a fun theme is a great way to encourage and support your child's reading interests and curiosity so that reading remains an enjoyable challenge. VISIT THE PUBLIC LIBRARY OFTEN. Help your child discover the adventure and fun of choosing books from the Library's collections. Be sure that children have their own library card. At the Northport-East Northport Public Library, children are eligible for library cards from the day they are born!

**Liberty Librarians (Your LIBRARIANS!)**  
Our Librarians for Children and Teens have constructed unique programs that make summertime reading fun for all ages. They will be happy to help your children discover new books and expand their reading horizons.

**Take a Big Apple Bite**  
Any child can join the reading clubs. Children as young as three years old have participated. In the **Eager Beaver Readers** books are read to preschoolers by parents, grandparents, siblings, and babysitters. Children in grades 1-3 are encouraged to join **New York is Read, Write & Blue**. Older children in grades 4-6 are part of the **Empire Contract Readers** program.  
Teens who participate in the **Summer Reading Club** have an added benefit. They will become familiar with the friendly staff and resources available to them throughout the Library—and this will be helpful in September when homework assignments are once again underway.

**The American Dream**  
A record number of children and teens participated in last year's summer reading program. Discover an unlimited opportunity to explore, learn, create, investigate, socialize, and read in the Library. Join the fun!
