— Sidney Sheldon, author

THE WONDER YEARS

You are always at the library. Either you are checking out the Home-work Center for books about your latest school assignment or you are wondering where to go next and you stop by the reference desk for help and direction. Then it's back to the library for the latest R.L. Stine paperback, an audio book, a young adult craft workshop. It's a wonder where you'd be without the library.

The library saved my life. I was a shy, insecure boy in search of meaning. The whole world opened up for me within the pages of books. Librarians became my helpful, generous friends. I learned about life.

— Malcolm Boyd, author

The library. It was a font of information, inspiration and entertainment — and it still is!

— Bill Keane, cartoonist

To sign-up for your library card, just bring in identification and current proof of residency (e.g. driver's license, tax bill, phone bill). Registration forms for children under the age of 12 must be signed by a parent or guardian. Within a few days, your Northport-East Northport Library card will be mailed to your home. However, you may borrow materials immediately. Materials can be borrowed or returned at either library.

LISTEN, LOOK IT UP, AND LEARN

You are in the fast lane on the information highway. Everyday there is something new to check out — a new car, a new job, a new recipe. Your friends have all the answers, but sometimes one contradicts the other. So you turn to the books, the computers, and the librarians.

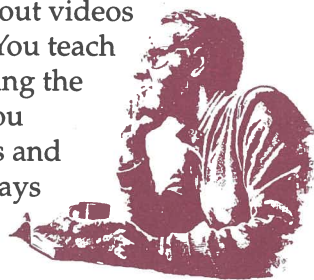

The library is a place that one can go and get the answers to virtually any questions they may have. It is a place that everyone should utilize frequently during their lives. The people need to support their public libraries in any way possible.

— Vincent E. "Bo" Jackson, athlete

IT'S PRIME TIME

Now you've got more time and you're busier than ever! You book another trip and explore the travel books and videos. You sign up for library "book-a-trips" and let someone else do the driving. You enroll in 55/Alive Defensive Driving classes. You read and read and read and you check out videos and compact discs too. You teach yourself WordPerfect using the tutorial at PC Station. You attend plays and lectures and workshops. You are always at the library because there's always something there for you.

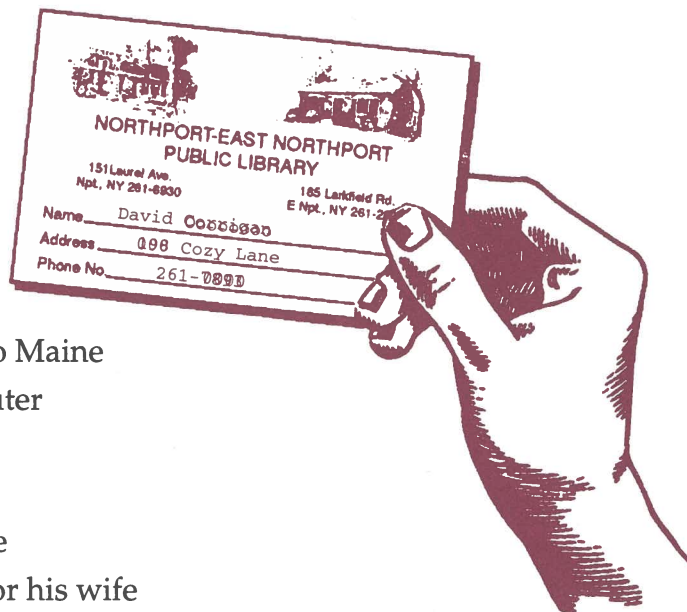

Life, liberty and the pursuit of happiness is getting awfully expensive to seek at the mall; at the library it can be had for free.

— Mimi Kennedy, actress
