THE ART OF COLLECTING CONTEMPORARY ART

Tuesday, January 19, 7:30 p.m.
(snow date January 26)

Many people today collect art not only for pleasure, but also as an investment hedge against inflation and fluctuations in the financial markets. If Renoir and Picasso sound like interesting alternatives to Treasury notes and zero-coupon bonds, join Arlene G. Cohen of A.C. Art Consultants who will discuss how to begin this potentially profitable hobby. No registration is required.

MICROWAVE COOKING

Wednesday, January 6, 7:30 p.m. or
Tuesday, January 12, 7:30 p.m.

Sharon Rosensweig returns with her delectable microwave cooking demonstration. Last year she played to a standing-room-only crowd, so this year we've scheduled two programs. The demonstration will cover how microwave ovens work, cooking techniques, maintenance, and of course, some delicious recipes. No registration is required.

NON-DRIVER IDENTIFICATION CARDS

Friday, January 22
10:00 a.m. - 12:00 noon

Are you a non-driver? Not having a driver's license can sometimes be a problem. On Friday, January 22 the library will sponsor Project "Reaching Out," a New York State Department of Motor Vehicles service which provides non-driver photo identification cards. In order to participate in this program, you must register and receive an application beginning Saturday, January 9.

Applicants for a non-driver I.D. must be over 18 years old and have proof of age (birth certificate, medical card, etc.) and proof of address (LILCO bill, library card, etc.). If I.D. will replace your driver's license, bring the license with you. A check made out to the Commissioner of Motor Vehicles is also required. The fee will be between \$6.00 and \$6.50. Do not fill in the amount until the program date. Each applicant will receive a temporary identification card. The permanent photo identification will be mailed to your home address within 45 days.

POLYPHONY

Friday, January 15, 8:30 p.m.

The Library is pleased to present the Baroque ensemble Polyphony.
