"THANK YOU"

The Board of Trustees and the staff of the Northport-East Northport Public Library wish to thank the residents of the Northport-East Northport School District for voting approval of the library's 1988-89 budget. We hope you will continue to use and enjoy the library.

ARCHITECT FOR LIBRARY

The Board of Trustees has contracted the architectural firm of Beatty Harvey and Associates, and the legal counsel of Douglas McNally, to conduct feasibility studies regarding expansion of your library. Your comments as patrons that both buildings are short of space for books, videos, computers, audio visual equipment, meeting room and seating areas have not surprised us. The Board and staff have been aware of a lack of storage and work space for some time. Therefore, we have taken the first step toward working on the problem by hiring a library architect. At this time we invite all of you to express your feelings and suggestions to Victoria Wallace, Library Director. It is your community library, and we want to provide for your needs in the best way possible.
