MEDICARE/MEDICAID ASSISTANCE

Health insurance coverage has become increasingly complicated for older Americans. The library provides one-to-one assistance through Jim McManus, an AARP-trained representative, on Friday mornings from 9:00 a.m. to 12:00 noon at the Northport Library. Mr. McManus will answer questions about Medicare and supplemental Medicare health insurance. He will also help fill out Medicare claims and appeals, help determine Medicaid eligibility and refer beneficiaries with complex Medicare problems to the appropriate resources for assistance. Please call the Northport Library to make an appointment with Mr. McManus.

PRE-RETIREMENT EDUCATION PLANNING FOR MID-LIFE WOMEN

Wednesday, December 7, 7:30 p.m.

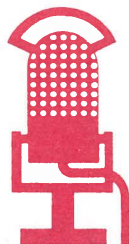

The last session of this five-part series will be held on December 7. These workshops have focused on the pre-retirement needs of working women between the ages of 35 and 55. Topics include financial planning, health, employment, and the social/emotional issues of growing older. No registration is necessary.

THE MOHAWK PLAYERS PRESENT BREAKFAST WITH LES AND BESS

Friday, December 2, 8:30 p.m.

The year is 1961. Les and Bess are a married couple who co-host a radio talk show in New York City. Unfortunately, their talk show is about to be cancelled, and since their entire marriage is based on their show, Les and Bess may have to cancel their marriage as well. Will Les and Bess stay together? Will their budding radical of a son straighten up? Will their daughter actually marry the sailor she has just met? *The New York Times* called this wise-cracking comedy "a delightful throw-back to the romantic Broadway comedies of yore."

Tickets, which are on sale now, are \$1.00 for adults, 50¢ for students, senior citizens, and handicapped persons.

NOVEL IDEAS

Friday, December 9, 1:00 p.m.

Presumed Innocent by Scott Turow will be discussed at this month's meeting. Please call Ms. Gillman, Reference Librarian, at 261-6930 if you would like to join this group.

RECEPTION FOR CREATIVE WRITING CONTEST

Thursday, December 8
7:00 p.m.

All participants from the Northport-East Northport public and private schools and their parents will be the guests of honor at a reception celebrating our first annual Creative Writing Contest. The public is cordially invited to attend this landmark occasion.

Awards will be granted in each grade (6-8) to winners in the categories of poetry, short story, and essay. A highlight of the evening will be readings by high school theater students of selected winning works. A publication of the winning entries will be available at the reception and in the library during the following months. We hope you will join us in honoring these very special young adults.

COMPUTER NEWS

Are you shopping for a mortgage? Do you want to write your will? Prepare for the SAT? Write a resume? The library's IBM compatible computer, a Leading Edge Model D, may have the help you need. The Northport and the East Northport computers currently have a combined total of 17 different programs. This collection will continue to expand. Following is a list of the available programs.

NewsMaster — Create newsletters and advertisements.

Career & College Scan IV — Find the career and/or college that's right for you.

Mortgage Selector — Input financial data from 3 banks and the program will compute and print an analysis.

J.K. Lasser's Your Income Tax — Enter your tax information and the program will calculate and print your submittable tax form.

Lovejoy's Preparation For The SAT — Increase your test score through strategies, SAT practice sessions, and exams.

Student Financial Aid Estimator — Estimate TAP and PELL funds for which you may be eligible.

Ticket To Paris & Ticket To Spain — Learn French or Spanish while playing one of these adventure games.

Creative Resume & Right Resume Writer II — Provide the information and the program will format and print your resume.

Typing Tutor IV & Type! — Learn to type.

Starting A New Business & Venture Magazine's Business Simulator — Test and expand your knowledge of the business world.

WillMaker — Provide the beneficiaries and bequests and the program will print out a basic will.

Leading Edge Word Processing — Write reports, letters, etc.

Some programs require a 5.25 inch d.s./d.d. disk. It is a good practice, therefore, to bring a blank disk when coming to use the computer. Computer use is on a first come, first served basis, with a one hour time limit if someone is waiting. For further details, please call Ms. Dunleavy at 261-6930.

BAR-CODED LIBRARY CARDS

Since the installation of our new computerized circulation system last year, bar-coded library cards have been issued to every registered library patron. If you have not already picked up your bar-coded library card, please do so as soon as possible. We suggest that you call ahead if you are not sure which library has your original library card application. New cards may be picked up during regular library hours, except on Sundays.

VIDEO CLASSICS

The Northport Library recently acquired a very special collection of video cassettes consisting of selected "classic" PBS programs. The titles include:
