**VICTORY THEATRE PRESENTS A TELL TALE POE
Friday, February 1, 8:30 p.m.**

This exciting theatrical journey into the life and works of Edgar Allen Poe was written by Peter Josyph and is performed by William Riccardella. Using some of the classic Poe horror tales as well as satire, song, reminiscence and private reflection, the one-man play weaves a fascinating portrait of Poe and presents a glimpse at the humorous side of this legendary figure that many may find surprising.

The Victory Theatre is a permanent ensemble of actors, writers and directors, offering its fifth season of new American plays by resident playwrights. Tickets are \$1.00 for adults, 50¢ for students and senior citizens.

Tuesday, February 5 & 12, 8:00 p.m.**

Attendance at *both* sessions is important for the understanding of this tool for technical market analysis.

Tickets for the concert, which go on sale Feb. 9, are \$1.00 for adults, 50¢ for students and senior citizens.

TAX HELP

The Hofstra University Tax Society, in conjunction with the Internal Revenue Service, is once again coming to the aid of library patrons with its Volunteer Income Tax Assistance program (V.I.T.A.). Volunteers from V.I.T.A. will be on hand at both library buildings to answer your tax questions and help you fill out your tax forms on Saturdays from 9:00 a.m. to 12:00 noon, beginning February 9 and continuing through April 13.

YOU AND YOUR AGING PARENT **Thursday, February 28, 7:30 p.m.**

Few tasks are as formidable or as unanticipated as caring for an elderly parent or spouse. Frequently, caretakers are under pressure and are inadequately prepared. Geriatric Nursing Consultants will present a program to help adult children and their aging parents cope with the many problems which arise in such cases.

Among the topics to be discussed are living with an aging parent, what to do when alternate care is considered, how to choose a nursing home and dealing with feelings of guilt. This program should help both the elderly and their families alleviate some of these problems and improve the quality of life of the aged person. Admission is free.

NEWS FROM THE REFERENCE DEPARTMENT

HELP FOR THE HEARING IMPAIRED

Libraries are in the business of providing information, and transmitting that information to hearing impaired persons may involve the use of special materials and communication skills on the part of librarians. Deaf individuals with access to TTY (teletypewriter) equipment may now call Reading For The Handicapped (a service of the Suffolk County Library System) at 286-4546, for telephone reference assistance Monday through Friday, from 9:00 a.m. to 5:00 p.m.

Other free services from Reading for the Handicapped include signed English books, signed video cassettes and special headphones for hard-of-hearing patrons who use talking books. For additional information about any of these services ask at the reference desk at either library.

VIDEO NEWS

The video collection now includes an important new film, *Strong Kids, Safe Kids*, donated by the Northport Neighborhood Watch Association.

The program explores the potential dangers children face in today's world and outlines steps that parents and children alike can take to help diminish these dangers. The video is ideally suited for parents and children to view together.
