

Amy Connor

Candidate for Northport-East Northport Library Board of Trustees

Amy Connor grew up in Port Jefferson and raised her three children in Northport, where she's been a resident for 22 years. A graduate of Bucknell University with a degree in arts management, she also holds a certificate in fundraising from New York University. She worked for the Commack school district, then the Mount Sinai school district as the director of their drama programs.

Amy recently retired from her position as Executive Director of the Northport Arts Coalition after steering the organization through the difficult times of the pandemic and guiding it through its 26th year. She served as president of both the Northport Middle School and High School PTSA's, and is proud to have been a St. Baldricks shave with her family for ten years.

Amy is an avid lifetime reader and library patron, and looks forward to giving back to the library system that has been a huge part of her and her children's lives for so many years.
