## Get Inspired!

Libraries have the power to educate, convene, preserve, and inspire. Feel connected to a broader society, find information, and discover new things at your Library.

The Library engages community members of all ages through a multitude of resources. The friendly and knowledgeable staff help you unscramble life's mysteries, encounter new adventures, and chart a course for the future. Collections provide the tools to refresh skills and build new ones, broaden a perspective, and transport you on uncharted adventures. Programs introduce new ideas, encourage social interactions, and build community through shared experiences. The Library is the community hub that provides a venue for dialogue, collaboration, and creative expression.

Henry David Thoreau said, "I learned this, at least, by my experiment: that if one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with a success unexpected in common hours."

Develop your dreams at the Library, the place to plan, strategize, and connect with other people.
