Patrons Share Their Comments

The Library is wonderful . . . filled and stacked with marvelous papers, magazines and books, and cafe to add to it all. Thank you for a wonderful four star library.

This is the most amazing library I have ever been to. It is so friendly, clean, updated, and convenient.

Having lived in East Northport for almost 40 years, I have come to treasure and appreciate the superb quality of the libraries and their staff.

I cannot begin to count the ways the library has enhanced the lives of my grandchildren and me. It is a learning place, a haven on rainy or snowy days. When the sun is out we play at the playground. We have so much fun in the programs. I even began computer classes here. Thanks.

It is with the greatest pleasure that I commend you and your staff at both the East Northport and Northport libraries. Their professionalism, their friendliness, their dedication to fulfilling the needs of all their patrons is remarkable.

The library provides me and my family with a clean, quiet, and tranquil place for learning, growing, and personal enrichment. Thanks to all!

It is no wonder that everyone I know considers this library system the best on Long Island.

The library allows me to revel in the endless possibilities that are waiting on the shelves. Fiction, non-fiction, children's literature—it's there ready to be taken.

Our Library is an oasis of peace and tranquility; an island of knowledge. In fact, it is undoubtedly one of the best public libraries in the U.S.A. (and therefore in the world). The key to its uniqueness lies in its staff – both librarians and non-librarians who are all friendly, courteous and knowledgeable.

As a new retiree, it's wonderful to enjoy the good things our hamlet of East Northport and the Village of Northport have to offer. Our fine libraries are at the top of the list of what makes our community special.

Services That Matter, Leadership That Works

"If you look at your property tax bill, the library tax is very likely the money you feel best about paying. Libraries are not just repositories of books, movies, and music. Increasingly they are also community centers and communities tend to feel close to them."

(Newsday editorial 6/18/08)

The Northport-East Northport Public Library's role as a community leader in information, education, and enrichment remains unsurpassed. The Library continues to provide outstanding programs and services. And now, in these uncertain times—times of challenge—our mission is even more essential. The Library reaches out to the community and brings people together, meeting their needs and changing lives in vital ways.

We, the Library Board of Trustees, have set relevancy, sustainability, and affordability as the three key criteria to develop the proposed operating budget for fiscal 2009/2010. The Library Administration has accomplished this goal through continuous long-range planning and effective resource allocation of staff, collections, facilities, and technology. Strict adherence to balancing excellent library service with judicious use of tax dollars has resulted in a zero percent tax increase in the 2009/2010 library tax rate.

We urge you to demonstrate the value you place in your library by voting on April 14.
