#### EXHIBITS

**Northport Gallery:** Images Remain/Selections from the collection of Jean Kaplan

**East Northport Gallery:** Display Case: Quilts by the Booknook Stitchers

**Public Library:** A Toast to the Little Prince for Children and Grown-ups: painter, writer, animal trainer, and aviator. The year is the centenary of Antoine de Saint-Exupéry, born July 27, 1900. As a boy, he was obsessed by flying, and he later became a pilot, flying several types of aircraft on a dozen missions for the French Air Force in World War II. He died when the plane he was piloting crashed in the desert in the Sahara near the town of Zouerat, Mauritania, on November 30, 1944. As a result of this extraordinary life, he is remembered as one of the greatest writers of the 20th century. The Library and the Historical Society of Northport have joined forces with the Northport-East Northport Public Library to join in this celebration. Antoine de Saint-Exupéry, author of the Little Prince, will be celebrated with a month-long exhibit that begins with an opening reception on September 20 at 7:30 PM.
