Grow Great Readers at Your Library! Join the Summer Reading Club!

Families (That’s you PARENTS) Summer Reading Clubs are only for kids, they are not for REAL Moms and Dads. We like to have fun and have a good time but we also like to learn some new things and meet new people. So we have decided that this year we are going to make it fun for everyone. We will have reading programs based on children’s books that are great for kids and adults. We will also have activities that will help you and your children have a great summer. We will be having activities for all ages, so please come and join us!

Out in the Field! Come and join us at the Maritime Aquarium on 8/20. We will be having a special program that will be great for kids and adults. We will also have a special event that will be great for kids and adults. We will be having a special event that will be great for kids and adults. For the idea of “dancing or playing with the light.”

Northport resident Rosemary Furia is an accomplished fine-art photographer who most recently she has focused on “photographic artwork,” which she describes as “a way of capturing the essence of a moment or an emotion.” Furia’s work is characterized by her use of light and shadow to create a sense of movement and depth in her images. She is particularly known for her unique approach to capturing light, which she describes as “a way of capturing the essence of a moment or an emotion.”
