Since 1997 the Library Board of Trustees has noticed that The Library Bear, created by Suzanne from a sugar maple stump, has been in the Library for the past seven years. The Library Bear is a creation of Lucille Boxhoorn, "the bear lady," of Keesing, New York. The Library Bear is the result of a creative challenge in 1988. The Library Board of Trustees as well as the Library Staff, including Assistant Director Elizabeth McGrail and Circulation Director Stephanie Heineman, have all been impressed with the Library Bear, and for good reason. The Library Bear has been a great source for inspiration for children and adults alike. The Library Bear has received great local recognition, including a plaque on the rear of a fire truck. The Library Bear is stored at the Library's storage facility. The Library Board of Trustees has authorized a rubber mold of the bear to be made to preserve it for the community.
