The Northport-East Northport Public Library encourages all patrons to participate in Homeward Bound Program. This is a free and confidential service. Are you, or is someone you know, unable to visit the library? We will bring library materials home to you. In whatever you enjoy, we will bring it to you.

Our Homeward Bound program is available to all library district patrons who are unable to come to the library. You may tell us what kinds of library materials you choose on your clients. Adventure, mystery, history, travel, poetry, or religion -- in large print or regular-- whatever you want, we will bring it to you.

Much of the time, your selections are just a selection of the materials available in the library. If you do not find exactly what you want, we will order it for you. We constantly update our collection with new and current titles. To find out if you are eligible for the Homeward Bound Program and to receive an application, please contact Margaret Brooks, Outreach Librarian at the East Northport Library (691-2021).
