Troubleshooting Your Macintosh

How prepared are you? Learn weather and emergency preparedness with a panel discussion. Representatives from the American Red Cross, the Suffolk County SPCA, and organizations active in all phases of disaster preparedness will address critical issues. Panelists will also provide assistance in completing crucial documents, important telephone numbers, and other preparedness information for government agencies, and much more.

Finished? Our Reference Librarians have collected a wealth of information on natural disasters and organizations active in all phases of disaster preparedness. These resources can be found in the Get Ready Center at the Reference Desk in both library buildings.

A Guide for the Northport-East Northport Public Library cardholders for Adult and Teen programs. Preference is given to Northport-East Northport Public Library cardholders for Adult and Teen programs.
