The Clue Finders: A Note About Program Attendance:
If you will not be able to attend a program for which you have registered, please let us know so that we may call a child on the waiting list.

At the Northport-East Northport Public Library, our librarians for children and teens have observed that children who participate in the summer reading program make greater gains in reading ability over those who read less.

Patrons registered on the waiting list will be encouraged to attend the program. If you call to tell us that you will be late, your name will be removed from the waiting list.

Registrations:
For Children's Programs is limited to Northport-East Northport Public Library cardholders.
