People & Events That Shaped America and the World

Gina Latimer has shared the stage with noted jazz pianist Randolph Herr & His Flames for the past 50 years. Herr, a grand master of the Pianola, has gained recognition for his fiery performances. Herr will also play several rarely heard rolls by Sundbye, Friedheim, and works by Liszt performed by Alexander Friedheim. The program is cosponsored by the Northport Rotary Club. Tickets go on sale at the Northport Library. Fee: $35 for adults; $30 for members.
