Swimming Instructors

(That's you, PARENTS!)

Dive Right In

E.N. 6/10, 3:00

An introduction to swimming for children and adults. Participants will learn basic swimming strokes and safety techniques.

Our Librarians for Children and Teens have constructed the following programs to give children opportunities to explore, learn, create, investigate, socialize, and engage in reading. This will give them the opportunity to express themselves and use their imagination. This is the perfect time for children to turn their reading interests and curiosity so that reading becomes a part of their life. Studies have found that children who read more than their peers are likely to be better students.

Library Hours
