**Free State and Federal
Income Tax Preparation**

AARP Tax-Aide is a free tax counseling and preparation service helping low and middle-income taxpayers, with special attention to those ages 60 and older. This service is administered by the AARP Foundation in cooperation with the IRS. Electronic filing (e-Filing) is included.

Please bring your current tax records and copies of your last filed federal and state tax returns, a photo ID, and a Social Security Card or another form of Social Security verification. If filing jointly, both parties must be present.

To expedite the preparation process, please pick up an **Intake/Interview Form (#13614-C)** at the Reference Desk prior to your appointment. (AARP Tax-Aide volunteers cannot prepare returns that include rental property, military income, alternative minimum tax, or those with multiple stock transactions.)
