BRING BACK THE BEAR!

to the
East Northport
Public Library

An East Northport Community Landmark

We are turning to the Northport-East Northport community to recognize **The Library Bear** as an East Northport landmark, which can once again enliven and improve the East Northport streetscape. It will enhance the grounds surrounding the library, including the adjoining John Walsh playground and park complex. This public work of art will forever instill pride in the community, as well as in the Library. All who travel Larkfield Road, the community's "Main Street," will have the opportunity to view a unique folk-art sculpture.

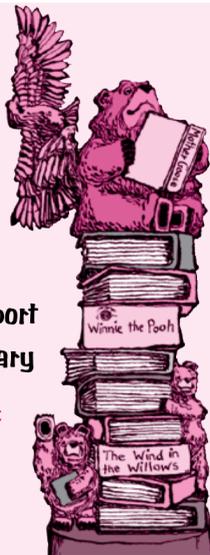

The projected cost for casting and installing a permanent metal sculpture is approximately \$60,000. The Library has already received a grant in the amount of \$10,000 from Senator Carl Marcellino. This fall our goal is to raise the funds to **Bring Back the Bear** and to dedicate the sculpture in the fall of 2007. We are relying on the generosity of our community to help us reach this goal.

Here's How You Can Help

For each **\$20 donation**, you will receive an adorable, cuddly plush bear wearing a **Bring Back the Bear** t-shirt. You may make a \$20 donation and receive a plush bear anytime at the Circulation Desk at both library buildings.

For each **\$100 donation**, your individual, family, or company name will be engraved on a brick that will make up the pavement around the bear sculpture. Donations of **\$500 or more** will be recognized on a permanent plaque on the East Northport Library building. Please see the reverse side of this panel for a donation form.

A brochure describing the history of The Library Bear sculpture is available at both libraries.
